

A winter scene with a snowman, a lantern, and a log cabin. The snowman is on the right, wearing a blue top hat with a yellow and red striped band, a red and green plaid scarf, and a carrot nose. It is holding a wooden sled with a green blanket. To the left, a blue lantern with a lit candle hangs on a wooden post. The background is a log cabin wall with a stone base and a snow-covered pine branch at the top.
